Director Helms
9/15/70 9:00 a.m.

K: We would appreciate it if you would have a brief chat with Augustine Edwards while he's in your shop.

H: He's not going to be in my shop, but I'll come downtown and see him. My men are coming in for that, but I'll come down too.

K: If you would talk with him briefly we would appreciate it so we can get your own judgment on it.

H: Okay.
