Offer N. 20140520.029-2.AV

Subject: Proposal for Remote Control System “Galileo”

Dear Sir,

As for your kind request, please find the Remote Control System Galileo proposal.

Feel free to contact us for any further request.

Best Regards,
Alex Velasco
Key Account Manager

Remote Control System Description

Please refer to the following document for technical description:

- Whitepaper_Galileo.pdf
- Attack_Vector_Consultancy_Service.pdf

Remote Control System Hardware Specifications

Please refer to the following document for technical requirements:

- RCS_TR_V2.3.pdf

Professional Services: Installation and Training

The solution will be installed at Customer Site by HT field application engineers.

Duration of the activities is actually planned for one (1) working day and it will be under Customer responsibility to prepare the Operation Environment.

In addition to that, there will be four (4) days of training focused on the usage of RCS.

Please refer to the following document for product training:

- RCS9_Product_Training_v1.2
